DEPUTY CLERK RL

v.

MICHAEL JOSEPH CARR

**FACTUAL RESUME**

Michael Joseph Carr, (the defendant), William Biggs, (the defendant's attorney),  
and the United States of America, (the government) agree to the law and facts as follows:

**ELEMENTS OF THE OFFENSE**

Count One

Enticement of a Minor  
(Violation of 18 U.S.C. § 2422(b))

To establish the offense alleged in Count One of the Indictment, the  
government must prove the following elements beyond a reasonable doubt:

- First: That the defendant knowingly used a facility or means of interstate commerce, that is, the telephone or the Internet, to persuade, induce, entice, or coerce, an individual under the age of eighteen (18) to engage in sexual activity, or attempted to do so;
- Second: That the defendant believed that such individual was less than eighteen (18) years of age; and
- Third : That the defendant could have been charged with a criminal offense for engaging in the specified sexual activity.

### **STIPULATED FACTS**

The stipulated facts that support the defendant's plea of guilty to Count One of the Indictment are as follows:

1. Carr admits that from on or about March 23, 2015, through March 24, 2015, in the Dallas Division of the Northern District of Texas, he used the Internet and a cellular telephone, facilities and means of interstate and foreign commerce, and knowingly persuaded, induced and enticed a 15-year-old girl to engage in sexual activity for which he could have been charged with a criminal offense, specifically a violation of Sec. 22.011(a)(2), Texas Penal Code, that is, Sexual Assault of a Child, which makes it a crime to intentionally and knowingly, with a child under the age of 17, cause the penetration of the anus or female sexual organ of the child by any means.

2. More specifically, on March 24, 2015, at approximately 1:09 AM, Grand Prairie, Texas Police Department (GPPD) officers were dispatched to a call regarding a missing child. Preliminary investigation indicated that a 15 year old female was missing from her guardians' residence, and GPPD officers subsequently began to search for the juvenile in the immediate area surrounding her residence. While driving through the neighborhood, officers observed a suspicious vehicle parked at the Indian Hills Baptist Church, located at 814 Tamara Lane, Dallas County, Texas.

3. The GPPD officers approached the vehicle, and noticed the rear passenger area was occupied by two individuals. The male vehicle occupant, later identified as Carr, opened the door and immediately began to apologize.

4. GPPD officers identified the other occupant as the missing 15 year old girl, hereinafter referred to as Jane Doe #1, and placed her inside of a patrol car. While seated in the patrol car, Jane Doe #1 stated she and Carr met on an online social media website. Carr was arrested.

5. On this same date, GPPD detectives obtained and executed a State of Texas search warrant on Carr's vehicle and documented and seized several items, including a used condom, two condom wrappers, a bottle of lubricant, a Metro PCS ZTE mobile device and a Samsung Galaxy T-599 mobile device. Officers also found Carr's driver's license, which indicated he was 24 years old.

6. On March 25, 2015, GPPD detectives searched Jane Doe #1's mobile device. The search of the device revealed Jane Doe #1 was communicating via the Kik<sup>1</sup> instant messaging application with user "mikepyro713," later identified as Carr. <sup>and also through text messaging</sup> The following is an excerpt<sup>2</sup> of ~~Kik instant~~ messages exchanged between Jane Doe #1 and Carr on or about March 23, 2015:

communicate with Jane Doe #1, who resided and was located in the Northern District of Texas when he engaged in this conduct. He acknowledges that his cell phone and the Internet are both facilities of interstate and foreign commerce.
